Dear Sir and/or Madam,

### **Planning Scheme Amendment C177**

Thank you for your letter and information received 3 August 2022 giving Goulburn-Murray Water (GMW) the opportunity to consider this Planning Scheme Amendment.

Goulburn Murray Water's (GMW) areas of interest are surface water and groundwater quality, use and disposal. GMW requires that development proposals do not impact detrimentally on GMW's infrastructure and the flow and quality of surface water and groundwater. Applicants must ensure that any required water supplies are available from an approved source.

Based on the information provided, GMW has no objection to Planning Scheme Amendment C177.

If you require further information please e-mail [planning.referrals@gmwater.com.au](mailto:planning.referrals@gmwater.com.au) or contact 1800 013 357.

Yours sincerely
